Dear Veronica:

I am pleased to announce that as of November 6, 2003, the Ambos Nogales Subsection has been officially recognized by ASQ. Congratulations! We are so happy that ASQ members in Nogales, Mexico and Arizona, will have an active local connection to ASQ. Thank you for your efforts and your commitment to quality!

Your achievement will be announced in the *Quality Advocate*, our member e-newsletter, and the ASQ News section of *Quality Progress*. You will also be identified in our website section locator at [www.asq.org](http://www.asq.org). Additionally, your new subsection can build a "mini web page" through our site. For more information about this, please contact Andrea Spiegelberg at extension 7260.

Your subsection will receive \$1000 for the first three years as a subsection or until you become a full section, whichever comes first. Your first payment is forthcoming and will be sent to Mario Aguilar, Subsection Treasurer. The other payments will be disbursed in August 2004 and 2005, if applicable.

Your sponsoring Section is Tucson-Old Pueblo Section 707, located in Tucson, Arizona. We hope that you and your sponsoring section can work closely together so that your subsection can grow, flourish and eventually become a full section. Please feel free to call me at or Andrea Spiegelberg at Headquarters if you have any questions, comments or suggestions.

Congratulations to you and all the best for the future of the new Ambos Nogales Subsection.

Sincerely,

Paul Blixt  
Region 7 Director
